Reward Information:

When your Kasasa Cash Back account qualifications are met during a Monthly Qualification Cycle, you will receive 3% cash back on up to a total of \$300.00 debit card purchases that post and settle to the account during the cycle period. A maximum of \$9.00 in cash back payments may be earned per Monthly Qualification Cycle.

In addition, daily balances up to and including \$100,000 in your Kasasa Saver account earn a dividend rate of .998% resulting in an APY of 1.00% and daily balances over \$100,000 earn a dividend rate of .15% resulting in a range from 1.00% APY to .58% APY depending on the Kasasa Saver account's daily balance.

When your Kasasa Cash Back qualifications are not met, no cash back payments are made and ATM withdrawal fees are not refunded. In addition, the entire daily balance in the Kasasa Saver account earns a dividend rate of .05% APY .

APY calculations are based on an assumed balance of \$10,000 + \$100,000 in your Kasasa Cash Back account and \$100,000 + \$100,000 in your Kasasa Saver account and an assumed statement cycle of thirty-one (31) days. Rates, rewards, and bonuses, if any, are variable and may change after account is opened without notice to you.

You will receive reimbursements up to \$4.99 for nationwide ATM withdrawal fees incurred within your Kasasa Cash account during that Monthly Qualification Cycle (aggregate total of \$25.00 per monthly qualification cycle). We reimburse ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM withdrawal fee. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction.

Dividends will be credited to your Kasasa Saver account on the last day of the current statement cycle. ATM withdrawal fee reimbursements will be credited to your account on the last day of the current statement cycle. You will automatically qualify for the account's rewards during your account's first statement cycle.

Rates, rewards, and bonuses, if any, are variable and may change after the account is opened without notice to you. No minimum balance is required to earn or receive the account's rewards. Rewards less than a penny cannot be distributed. Fees may reduce earnings.

If the account is closed before rewards are credited, you will forfeit the rewards.

To earn your rewards, the following enrollments must be in place and all transactions and activities must post and settle to your Kasasa Cash Back account during each Monthly Qualification Cycle:

- ✓ At least 12 debit card purchases
- ✓ Be enrolled in and log into online banking at least once during the Monthly Qualification Cycle.
- ✓ Be enrolled in and have agreed to receive e-statements rather than paper statements

Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Qualification Cycle in order to qualify for the account's rewards.

The following activities do not count toward earning account rewards:

- ✓ ATM-processed transactions
- ✓ Transfers between accounts
- ✓ Debit card purchases processed by merchants and received by our credit union as ATM transactions
- ✓ Non-retail payment transactions and purchases made with debit cards not issued by our credit union.
- Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

This account is not to be used for commercial purposes. If the account is closed, you will forfeit any rewards that have not been credited to your account. Federally insured by NCUA. Kasasa, Kasasa Cash Back & Kasasa Saver are trademarks of Kasasa, Ltd., registered in the U.S.A.

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary share draft account in which payroll transactions and day-today spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Somerset Federal Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account does not have consistent active use over 3 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Somerset Federal Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back with Kasasa Saver account, any optional add-on products / services associated with this account will also be terminated at the same time.

IMPORTANT-If for whatever reason the Kasasa Saver portion of your account is closed, your account will automatically be converted to a stand-alone Kasasa Cash Back account and only the Kasasa Cash Back terms and conditions articulated within this disclosure will apply.

OTHER TERMS

APY means Annual Percentage Yield.

Business Day means a calendar day other than a Saturday, a Sunday, or a Federal Holiday.

Qualification Cycle (Monthly Qualification Cycle) is defined as the period beginning on the first day of the statement cycle and ending on the last day of the statement cycle.

Statement Cycle means the period of time for which Somerset Federal Credit Union provides a summary of the financial activities and transactions that post and settle to the accountholder's account. See Cycle Dates below.

Cycle Dates

The following dates apply to your Kasasa Cash Back account. Our Monthly Qualification Cycle dates are not the same as our Statement Cycle dates. To qualify for your account's rewards, all of the transactions and activities identified within the above Qualification Information section must post and settle to your Kasasa Cash Back account with these Monthly Qualification Cycle dates.
